Joint Measurement Guidelines

Standard Requirements:

1. Mr Galloway can only measure the horse or pony on one occasion.
2. For a first time measurement the horse or pony must be a minimum age of 4 years old.
3. For a life certificate the horse or pony must be at least 7 years old and have had a previous measurement at another practice.

Arranging an Appointment:

1. Horseshoes must be removed prior to the measurement.
2. The horse or pony requires to be Identichipped (this can be done on arrival for the measurement).
3. Bring the Horse Passport and any previous Joint Measurement Board Certificate.
4. Bring a cheque, to be payable to the Joint Measurement Board.
5. The appointment is at the Paisley surgery and should be made for 12 noon. This allows for arrival, completing paperwork and measuring at 12.15pm
